What if God called you every day... and you could actually speak to Him?

...you could share your day with Him and take a moment for gratitude...

...you could personally ask God for His help in any given situation...

...let Him give you direction & help -you choose the best path for your day...

How would your life be different, if you did this *every* day?

Now You Can!

Do you want to grow in your prayer life?

St. Ignatius said that the most important prayer, the one should never be omitted from daily prayer, is the Examen Prayer. (Also Known as "The Examination of Consciousness")

The ingeniousness of this App is that it will remind you to pray the Examen daily and walk you through the steps. If you take advantage of the journaling it will also help you to reflect on and make changes in your life that will bring you closer to God.

In 2014, Fr. Michael launched his latest venture, a non-profit organization called "The Prodigal Father Productions".
