

myEoffering Electronic Giving
ACTION REQUIRED

If you are a current E-giving donor, myEoffering has a new website which is **much more** user friendly and secure!!! You will need to recreate your donations on the new website for your contributions to be processed.

CURRENT E-GIVING DONORS:

1. Go to members.myeoffering.com (**this is the new website**)
2. Click “Forgot Password” in the top right corner
3. Follow the instructions sent to you to reset your password
4. Sign in with your email address and new password
5. Set up your “wallet” (bank account or credit card) and your recurring donations

Due to donor security encryptions, transactions scheduled from June 8, 2018, through the activation of your new password have not been pulled from your account or applied to your credit card. These contributions will not automatically be processed. We ask for those donations to be made up using an offering envelope in the basket, mailing or dropping off the donation to the church or by setting up a one-time donation while resetting your recurring donations on the new website.

WOULD YOU LIKE TO JOIN E-GIVING?
