**For reflection and discussion during the Third Week of Lent:**

What are the ways by which Jesus set an example of being a perfect steward?

What can a good steward realistically expect from God both in this life and in the life to come?

What struck you about how the stewardship way of life spread from Saint Francis of Assisi Parish in Wichita, Kansas to the entire Diocese of Wichita?

How did the "Practical Advice for Pastors" section offer you some insights and understanding about the stewardship way of life in our two parishes?
