

LEAVE A LEGACY FOR NATIVITY OF THE BLESSED VIRGIN MARY

A legacy gift often does not require a gift today and can be adjusted over time as your circumstances change.

Ways to Leave Your Legacy

There are several simple and flexible ways to include our parish in your plans:

- **Bequests:** Include our parish in your will or trust
 - **Retirement Accounts:** Name the parish as a full or partial beneficiary of an IRA or 401(k)
 - **Life Insurance:** Designate the parish as a beneficiary of a policy
 - **Bank and Investment Accounts:** Use “payable on death” or “transfer on death” designations to direct remaining funds to the parish
-

Why It Matters

A legacy gift helps ensure that future generations in our parish will:

- Experience vibrant worship and lifelong faith formation
 - Be supported through ministries of charity, compassion, and outreach
 - Worship in a parish strengthened by the faith and generosity of those who came before them
-

Your Story. Your Stewardship. His Glory.

Your legacy gift is more than a donation—it is a statement of faith and a blessing for generations of parishioners yet to come. Many parishioners find great joy in knowing that their faith will continue to bear fruit long into the future.

You may also choose to designate your legacy gift to the parish endowment, helping provide long-term support for the mission and ministries of Nativity of the Blessed Virgin Mary Parish.

Considering a Legacy Gift?

We encourage you to work with your trusted legal or financial advisors to determine which legacy gift option is right for you. Suggested language to share with your advisor includes:

"In gratitude for all God has given me, I give (a specific amount, percentage, or description of an asset) to Nativity of the Blessed Virgin Mary Parish, 333 S. Lake St., South Amherst, Ohio 44001, Tax ID #34-0756949

If you have already included the parish in your plans – **thank you!** We would be grateful if you would let us know by completing and returning the [legacy gift intention form](#) to the parish office, so we may acknowledge your generosity and invite you to be part of the Nativity of the Blessed Virgin Mary Parish **2033 Legacy Society**.
